EVELEIGH EVENTS

YOUR PERFECT DAY BEGINS HERE...

From that first moment, the bended knee, the thrill of whats to come, the flutter of excitement; right through to the day you say 'I do' let Eveleigh Events take on the stress, the drama and the production and leave you with the romance, fun and adventure of your next chapter.

We make your dream a reality, from filling a country house with fauna and fantasy to a lighting up a beach with family, friends and fireworks. Our team will take you through each and every element of your event, they will guide and advise at every stage no request will be too much, no detail too small. We get to know you and your future intended always ensuring you remain in creative control.

THE MOST BEAUTIFUL SETTING YOU COULD EVER IMAGINE...

When you picture your big day do you see beautifully laid tables, peonies pouring over place settings, candlelight flickering and lashings of liquor? For some the perfect day is mountains of Moet and Manor Houses, for others its a single table powdered in petals with their immediate menage beachside. Whatever your preference we can help you to secure the most stunning of settings.

If it's veritably vintage, worn out leather sofas, Kilner cups and fairy lights dancing upon the beams of an old listed barn we will bring it to life filling the air with pine cones, stone baked pizzas and petals strewn across the isle.

If your day consists of cocktails, canapés and caviar let us dazzle you with roof top elegance, gleaming ghost chairs and flower filled altar with silks satin creating the perfect backdrop for your living love story. Whether it's red carpet or sand you plan on taking your next steps on let us build a back drop to delight.

CREATING MEMORIES THAT WILL LAST A LIFETIME...

When all is said and done your wedding day is the beginning of a lifetime, the excitement and anticipation of a new journey with your chosen partner. The foundation for marriage is far more than a day of celebration, it's the culmination of two lives, the joy of friendship and the beginning of a new life together but it certainly doesn't hurt to begin this wonderful adventure with an exquisite event!

An Eveleigh Event will not only exceed all expectation, but create lasting memories to pour fondly over again and again. An event that is designed around two people, their hopes, their passions and their personality make for unique celebrations and ones you will adorn your walls with for ever more.

FOR YOU AND YOUR LOVED ONE...

When you think of your beloved, your chosen one, your forever friend don't you want to show them just what they mean to you? A huge glamorous gala event complete with top hats and tails through to the runaway bride with her pretty cotton poplin dress and bare feet on the beach. Eveleigh Events don't mind what size your guest list is.

Our one and only plan is to create the perfect event for you.
